Our Proposal

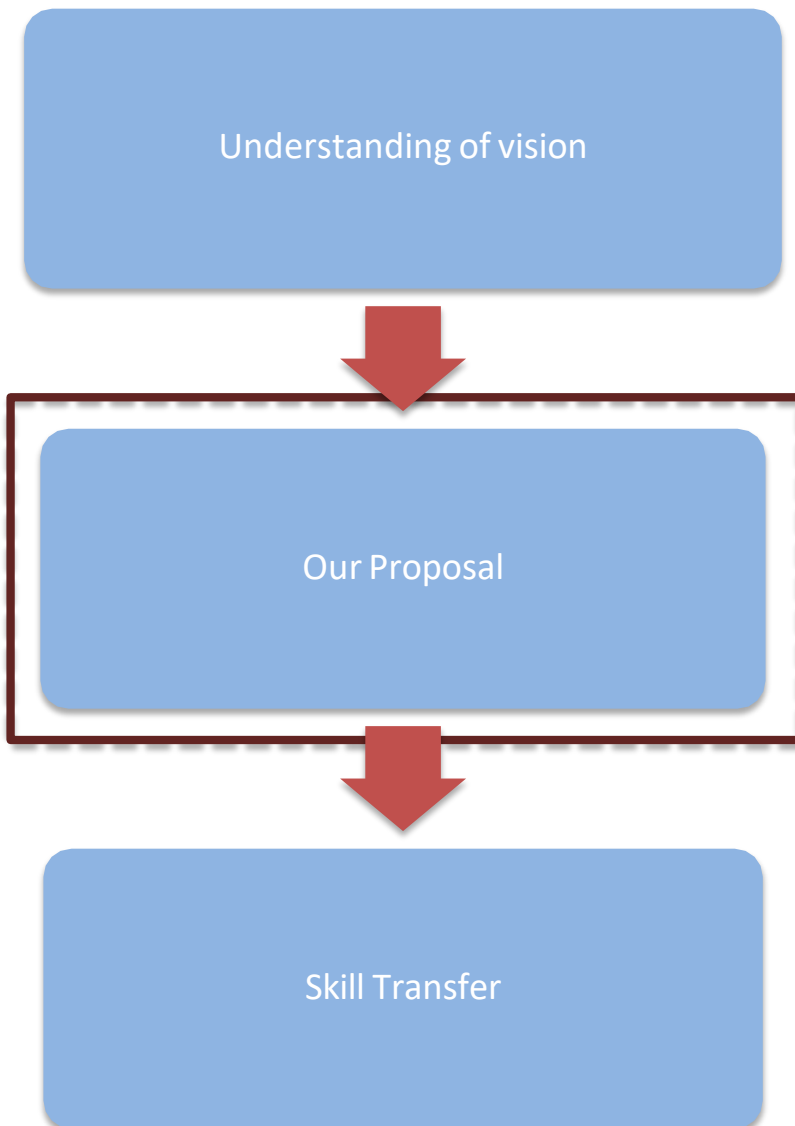

Skills Transfer

Methodology

To appoint suitable and experienced service providers for specialised debt collections services for a period of (3) three years on an "as is" basis, as per previous tender projects the forth coming and demand the specialization of each in the mentioned above the emphasise on the need to aggressively utilize specialist skills, the provider infrastructure into "COJ" in order to clear outstanding amounts due and concurrent with who require such assistance. In this regard, consideration to the current economic climate, the Consumer Protection Act and the Consumer Protection Act.

Methodology

Debt collecting Experience:

There is a great demand for collection services and an efficient recovery system in a cost effective manner. Inc has combined legal and professional skills to effectively service our clients need. As a firm of limited services that Debt-Collecting Agencies can and professional service by being able to proceed with recourse such as sending a letter of demand, issuing judgments, the issuing of warrants of execution (movable and immovable) and the sale of attached assets. Thus saving money for our clients as they are able to collect using methods and options housed under c

We further add value through close contact with clients, informed by providing regular updates and status reports. We are always on quality service. Our clients are provided with service whilst using the latest collection techniques.

Our extensive knowledge and expertise in debt collection has a reputation of reliability among our clients as we are a cost and money saving firm of debt collectors. We have the knowledge and capacity in this particular field. We have the knowledge and capacity to deal successfully with considerable instructions on a regular basis.

Methodology

Understanding of vision

Our Proposal

Skill Transfer

Debt collection model:

Letters of Demand are sent out to the debtors, and served, stating the provisions of Section 12. This is in order for us to adhere to the regulation. Once the letters are sent out through registered and experience legal assistants, who work in the premises solely for the purposes of debt collection and follow up with the debtors to follow up necessary arrangements for payments. The firm from debtors without having to go the legal route acknowledge and appreciate the fact that there percentage of instructions that require the issue summons and we, therefore, submit that we have skills and experience to effectively litigate in both Courts, where necessary. Legal action is always client's instruction.

Should the client instruct us to proceed with legal matter even after Judgment, in order to expedite

Our work ethic, skills and expertise have enable work without going through the litigation process cost effective debt-collecting methods.

Methodology

Understanding of vision

Our Proposal

Skill Transfer

We have implemented performance plans and equip our staff members with the essential skill proficiency in debt collection. We also have qualified staff to supervise the work administered by our staff management, who are respectively accountable of management allocate work to staff based on performance. All the staff is required to report to management on a weekly basis and all trainees are especially supervised. All information supplied by our clients are treated confidentially by all of the firm's personnel.

For collection purposes the firm utilizes DebtCollector system to effectively collect and report to our clients. The DebtCollector system allows us to monitor the progress of all matters going through the system, prior to the matters going through the system, prior to the matters have been handed over to our legal department. In addition to the DebtCollector system to trace the debtors, this is in addition to the DebtCollector system. All arrangements and Promises to pay are loaded into the DebtCollector system. An automatic reminder on the date on which the debt is due easily enables us to register and de-register debtors. Reporting will be undertaken on a monthly basis. The status of the accounts sent for collection and all matters are reported on a specified month. We will on an annual basis supervise all collection accounts.

Methodology
